

ANNUAL REPORT 2023 NSS CELL, BODOLAND UNIVERSITY

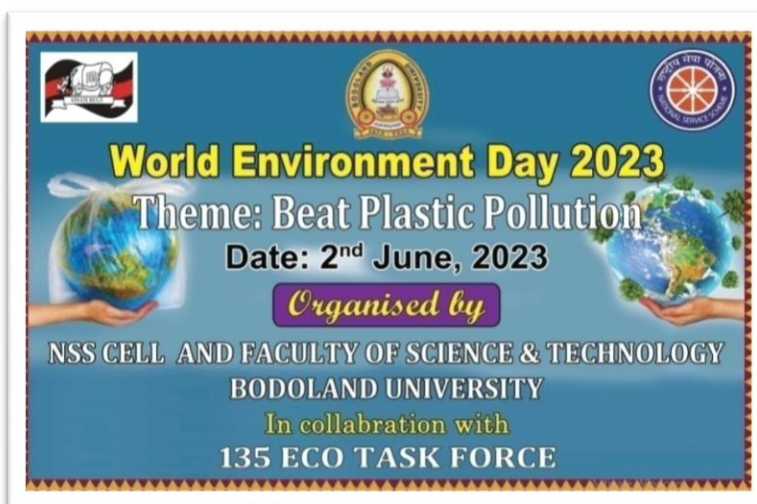

World Environment Day, 2023

Date: 02/06/2023 & 5/06/2023

The Bodoland University NSS Cell and Faculty of Science & Technology, Bodoland University, in collaboration with 135 ECO task force, Bismuri, organized a two-day programme to celebrate World Environment Day at Bodoland University. The event was effectively carried out with enthusiastic participation and awareness of a greener world. To emphasize the value of the environment and nature, the members of the B.U Fraternity, NSS volunteers, and Hostel Borders (Boys & Girls) students came to offer support for creating a cleaner Campus and a free environment.

Activities-

- i) Plantation of 108 saplings at B.U Boys & Girls hostel and University guest house.
- ii) Collection of plastic inside the University campus.
- iii) Awareness programme on “control of food wastage”.

Day 1

On 2nd June 2023, NSS Cell, B.U., faculty of science & technology and 135 ECO task force, Bismuri, jointly conducted a Clean and Green drive on the University campus with the support of

135 Ecological Task Force. The enthusiastic team of staff, NSS Volunteers and students of various departments of the University, under the libel guidance of Prof Laishram Ladu Singh, Vice Chancellor, carried out the plantation of 108 saplings around the Boys, Girls Hostel Complex and the University Guest House. Planted indigenous fruiting trees- Mango, Jackfruit, betel nut, and others - Nahar and Bokul saplings, etc., after planting all the saplings. The team cleared plastic wrappers, water bottles and other waste from the University grounds. 60 NSS volunteers, P.G. Students and Research scholars attended the programme.

Prof Sujit Deka, programme coordinator, NSS Cell, B.U., Professor and Head of the Department of Geography & Coordinator, IQAC, Bodoland University, gave an introduction to the programme, sharing his insightful thoughts and knowledge and encouraging all of the participants to plant saplings on the University campus.

The Ceremony was brought to a close by a motivational address by the honorable Vice Chancellor prof Laishram Ladu Singh, inspiring the students to keep the campus clean and green..
