

CENTRE FOR BAMBOO STUDIES

Initiated in 2013-14 as Diploma in Bamboo Technology course under the aegis of the Department of Biotechnology, Bodoland University was sponsored by the Agriculture Department, BTC, now BTR and National Mission on Bamboo Applications, New Delhi. It was upgraded to the “Centre for Bamboo Studies” in 2017 with its independent identity and is now a centre under the Department of Biotechnology. Bamboo is an important natural, renewable livelihood resource in BTR region. There is a need to enhance it through scientific Cultivation of suitable species and improved management of bamboo-based non-forest or forests. The course is very important for Bodoland Territorial Council because it provides them with in-depth knowledge of various aspects of bamboos.
