

# 4<sup>th</sup> C. V. Raman

## LECTURE SERIES

BODOLAND UNIVERSITY

### SPEAKERS

**Prof. Buddhadeb  
Bhattacharjee**  
Gauhati University

**Prof. Devasish  
Chowdhury**  
IASST, Guwahati

The 4<sup>th</sup> edition of the C.V. Raman Lecture Series is scheduled on 27<sup>th</sup> March 2023, in the Department of Physics, Bodoland University, India. This lecture series is organized every year in honor of the first Asian & Indian Nobel laureate in Science, Sir C.V. Raman.

#### Who can participate:

M.Sc./B.Sc. students, Research Scholars, Post-Doctoral fellows, Faculties & interested persons.

#### About the speakers:

- ★ Prof. B. Bhattacharjee is an expert in the field of experimental nuclear and high-energy physics.
- ★ Prof. D. Choudhury works on nanomaterials of metals, semiconductors, inorganic, organic, polymer, polymer composites and hybrid materials.

#### Organizing Committee:

- Prof. Laishram Ladu Singh, Hon'ble Vice-Chancellor, BU (Patron)
- Dr. Subung Basumatary, Registrar, BU (Advisor)
- Dr. Manjil Basumatary, Academic Registrar, BU (Advisor)
- Prof. Sandeep Das, Dean, Faculty of Science (Advisor)
- Prof. Heremba Bailung, Department of Physics, BU (Advisor)
- Dr. Prince Kr. Mochahari, Asso. Prof. & HoD (Physics), BU (Convenor)
- Dr. Rajeeb Brahma, Assist. Prof., Physics, (Member)
- Dr. Kalyan Dey, Assist. Prof., Physics, (Member)
- Dr. Anjalu Ramchiary, Assist. Prof., Physics, (Member)
- M.Sc. students & Research Scholars, Dept. of Physics, (Members)

Venue:

Seminar Hall

Dhwnshree Hall (Dept. of Physics, BU)
