Fellowship Program

A merit-based fully funded program
for young adults.

NOVEMBER,
2023

Presented by
The Financial District Securities

Overview

The Financial District Securities Pvt Ltd is a securities broking firm that is built on the foundation of literacy with the focus on empowering citizens with right knowledge and facilitate informed decision making. As an organization we are dedicated to empowering students from underserved regions with financial literacy skills and career opportunities.

Our Philosophy

At our core, we believe in the importance of maintaining transparency and honesty, not just as a principle but also in our actions. We understand that trust is the foundation of any successful relationship, especially when it comes to financial services. Therefore, we strive to provide our services with utmost integrity, ensuring that our clients have access to accurate and reliable information.

Furthermore, we recognize the significance of reaching underserved regions, as everyone deserves the opportunity to participate through an employment opportunity, or as a business partner or simply as an investor in the financial markets. We are committed to extending our services to these last mile communities, bridging the information and opportunity gap and empowering individuals with the knowledge they need to navigate the complexities of the financial world and therefore making them "aatmanirbhar" or self-reliant as proposed by our honourable Prime Minister.

By upholding transparency, honesty, and expanding our reach to underserved regions, we aim to foster a more inclusive and informed participation in the financial markets, ultimately contributing to a more equitable and sustainable global economy.

Our Core Values

Equality of opportunity

Our services will be made available and accessible to all unhampered by geographical and all other barriers, prejudices, and preferences.

Customer centricity

Our customers are our priority. They are at the core of our universe to provide a positive experience and build long-term relationships.

Transparency

We believe in maintaining a glass like openness in terms of information and communication with our clients and stakeholders.

Honesty

We are committed to being truthful and sincere in our dealings, providing accurate information, and delivering on our promises. We believe that by being honest, we not only build trust with our clients and partners but also foster a culture of authenticity within our organization.

Integrity

Integrity guides our decision-making processes, ensuring that we always prioritize doing what is right, even when faced with difficult choices. We hold ourselves accountable for our actions and take responsibility for the impact they may have on our clients, partners, and stakeholders.

In summary, our core values are not just principles we adhere, but are values that defines who we are as an organization.

We are committed to upholding highest standards of ethical conduct, fostering trust, and building lasting relationships based on all our core values.

Our Vision

Our vision is to become a leading financial organization that sets new standards in the industry. We aspire to be recognized for our exceptional financial services, innovative solutions, and unwavering commitment to customer satisfaction through our strong financial stability, trusted subject expertise, and cutting-edge technology.

We aim to foster financial inclusion by reaching out to underserved communities and offering accessible banking solutions. We strive to empower individuals and businesses with the tools and knowledge they need to achieve their financial goals.

progress.”**

-Mahatma Gandhi

About our initiative

01 ●

We recognize the significance of reaching all the regions, as everyone deserves the opportunity to participate through an employment opportunity, or as a business partner or simply as an investor in the financial markets.

02 ●

We are dedicated to extending our services to regions with limited opportunities, bridging the information and opportunity gap. Our objective is to empower individuals with the knowledge necessary to navigate the complexities of the financial world, aligning with the vision of a self-reliant India, as proposed by our honorable Prime Minister. Consequently, we have named our initiative "Aatmanirbhar Bharat."

03 ●

This fellowship will be a fully funded and merit-based program which would an ocean of benefits under this program.

Goal

The objective of this fellowship is to identify motivated individuals and provide them with comprehensive finance industry related training and skill development that will help them take a focused approach towards becoming better equipped for placements or nurture and nourish entrepreneurial abilities.

www.thefds.in

Benefits under the initiative

- This program offers a comprehensive 500 hours of training on various subjects related to financial markets. Financial instruments, how they are traded, Forex, commodities, mutual funds, financial planning, corporate actions, Technical analysis, and many more. The content will be made available in a more progressive fashion for better learning.
- Active mentorship- The fellowship also comes with committed mentorship from industry professionals through Masterclasses and personal mentoring.
- Industry-relevant content- The content made available will prepare the students for brilliant employment and entrepreneurial opportunities.
- Practical hands-on experience- the flow of content is designed in a way that also gives an idea of how to get things done on the practical front.
- Periodic interventions will lead the students to becoming as sharp individuals as a "Blade", which will help them give better interviews and all those entrepreneur enthusiasts will be provided with opportunities to start on their own.
- Skill development- Along with knowledge, requisite skills will also be built along the lines of landing good employment or entrepreneurial opportunities. This will prepare them and render them industry-ready.
- Professional Certification- This training will also prepare them for Govt based certifications like NISM & NCFM which are industry-required certifications that will serve as a testament to their knowledge levels.
