

**NATIONAL SEMINAR
ON
Sociology in Literature: An Interdisciplinary Perspective**

**Organised by
Dept. Of Bodo, Bodoland University
In collaboration with
Dept. Of Bodo, Barama College, Barama
Venue: Dept. of Bodo, Bodoland University, Kokrajhar
Date: 30/03/2024 (Saturday)**

The Bodo language is a Schedule language under in the constitution of India, which recognised in 2003. The Bodo language has been developed after the recognition as official language in the Assam state. The Bodo Literature emerges from Missionary period but the growth of the literature started after the formation of Bodo Sahitya Sabha on 16th November, 1952.

The term Sociology started first in France in 19th Century. Sociology is the study of social life, social change, and the social causes and consciousness of human behaviour. The study of Sociology is the way to find out the value of society, social issues and challenges that happened in the society are reflected in the Bodo Literature. The National Seminar will enrich the Bodo community with their position in the field of education, economics, politics, social consciousness and in gender issues. The vision and planning of organising this Seminar is to encourage to know the valuation of society with the study of Sociology.
