NOTICE

Regarding Reliance Foundation Scholarship 2026

It is hereby informed to all eligible students of Bodoland University that the Reliance Foundation is offering scholarships to support 5,000 meritorious undergraduate students and 100 outstanding postgraduate students. The scholarship programme aims to make higher education more accessible while empowering young people to pursue their ambitions and contribute towards building a future of impact. Interested and eligible students are requested to carefully go through the Important Instructions for Students before applying for the scholarship. The last date to apply for the Reliance Foundation Scholarship 2026-27 is 5th October, 2026. All eligible students are requested to submit their applications online through the link provided below within the stipulated time. Students are advised to carefully read and understand all the eligibility criteria, application guidelines, required documents and other important instructions before submitting the online application.

UG Scholarship

Important Instructions for Students Pursuing Undergraduate Degrees Across Disciplines

Students with a household income of under Rs. 15 lakh who are enrolled in first year (academic year 2026-27) of their undergraduate studies pursuing any subject stream can apply. The programme will also aim to encourage applications by girls and specially-abled students. Selected scholars will receive a scholarship of up to 2 lakhs over the duration of their degree programme. In addition to the scholarship grant, the Reliance Foundation Undergraduate Scholarships will provide scholars an opportunity to be part of a vibrant alumni network and an enabling support system that will create a long-term impact on their lives and career trajectories.

PG Scholarship

Scholarship Amount: Up to ₹6,00,000 (6 Lakhs)

Important Instructions for Students pursuing higher studies in future-focused fields

First-year postgraduate students from institutes across India pursuing degree programmes in Artificial Intelligence, Computer Sciences, Mathematics and Computing, Electrical and/or Electronics Engineering, Mechanical Engineering, Chemical Engineering, Renewable and New Energy, Material Science and Engineering and Life Sciences are eligible to apply.
