VI	2	1	1	4	
Total	8	6	10	24	

1. **Institutional Training Objectives.** This curriculum provides basic military training for the cadets as part of the ongoing effort to mould young volunteers into disciplined and accountable citizens of India. The following learning objectives are what the NCC course attempts to achieve:
   a) Develop character, camaraderie, discipline, secular outlook, the spirit of adventure, sportsman spirit and ideals of selfless service amongst cadets by working in teams, honing qualities such as self-discipline, self-confidence, self-reliance and dignity of labour in the cadets.
   b) To create interest in cadets by inculcating and laying emphasis on those aspects of lnstitutional Training which attract young cadets into the NCC and provides them an element of thrill and excitement.
   c) To inculcate defence Services work ethos that is characterized by hard work, sincerity of purpose, honesty, ideal of selfless service, dignity of labour, secular outlook, comradeship, spirit of adventure and sportsmanship.
   d) To create a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose.
2. **Camp Training Objectives.** Focuses is more on outdoor training and develop esprit di corps among the cadets. This includes :-
   a) Develop character, camaraderie, discipline, secular outlook, the spirit of adventure, sportsman spirit and ideals of selfless service amongst cadets by working in teams, honing qualities such as self-discipline, self-confidence, self-reliance and dignity of labour in the cadets.
   b) To inculcate defence services work ethos that is characterized by hard work, sincerity of purpose, honesty, ideal of selfless service, dignity of labour, secular outlook, comradeship, spirit of adventure and sportsmanship.
   c) To create a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose.
   d) To provide cadets an opportunity to improve upon their mental and physical endurance and stamina by sustained, consistent and high pace of activity throughout the period they undergo in the camp.
   e) To provide conducive environment to motivate young Indians to choose the Armed Forces as a career.
3. **Learning Outcomes**. NCC Camp Training is aimed to achieve the following:-
   (i) After receiving theoretical instruction at their respective academic institutions to develop a foundational understanding, cadets are exposed to the eagerly anticipated excitement of camp life, where they can put their knowledge to use.
   (ii) The cadets' training schedule is designed to maximize the advantages of the disciplined way of life in the Armed Forces while reaching the greatest number of cadets.
   (iii) The main focus of training is on practical issues, such as keeping the line area clean and well maintained, setting up camp security, joining the purchasing committee, organizing messing, distributing food, etc.
   (iv) In addition to completing responsibilities as members or team leaders of small teams and groups, they also develop a limited capacity to address problems encountered in real life.
